- \_Milan
- \_London
- \_Madrid

*what we do*

---

*//Work*

**<IDC Architects + Lab36 >**

design and deliver a **luxury  
experience** of spaces and  
emotions working at different  
scales from the city to the room.

## A stylized world map composed of a grid of small squares, with several colored dots (red, orange, yellow, green, purple, blue) placed on the map, likely representing specific locations or data points. The dots are concentrated in the central and eastern regions of the map.

- +many private clients*

*how we do*

---

# *//Methodology*

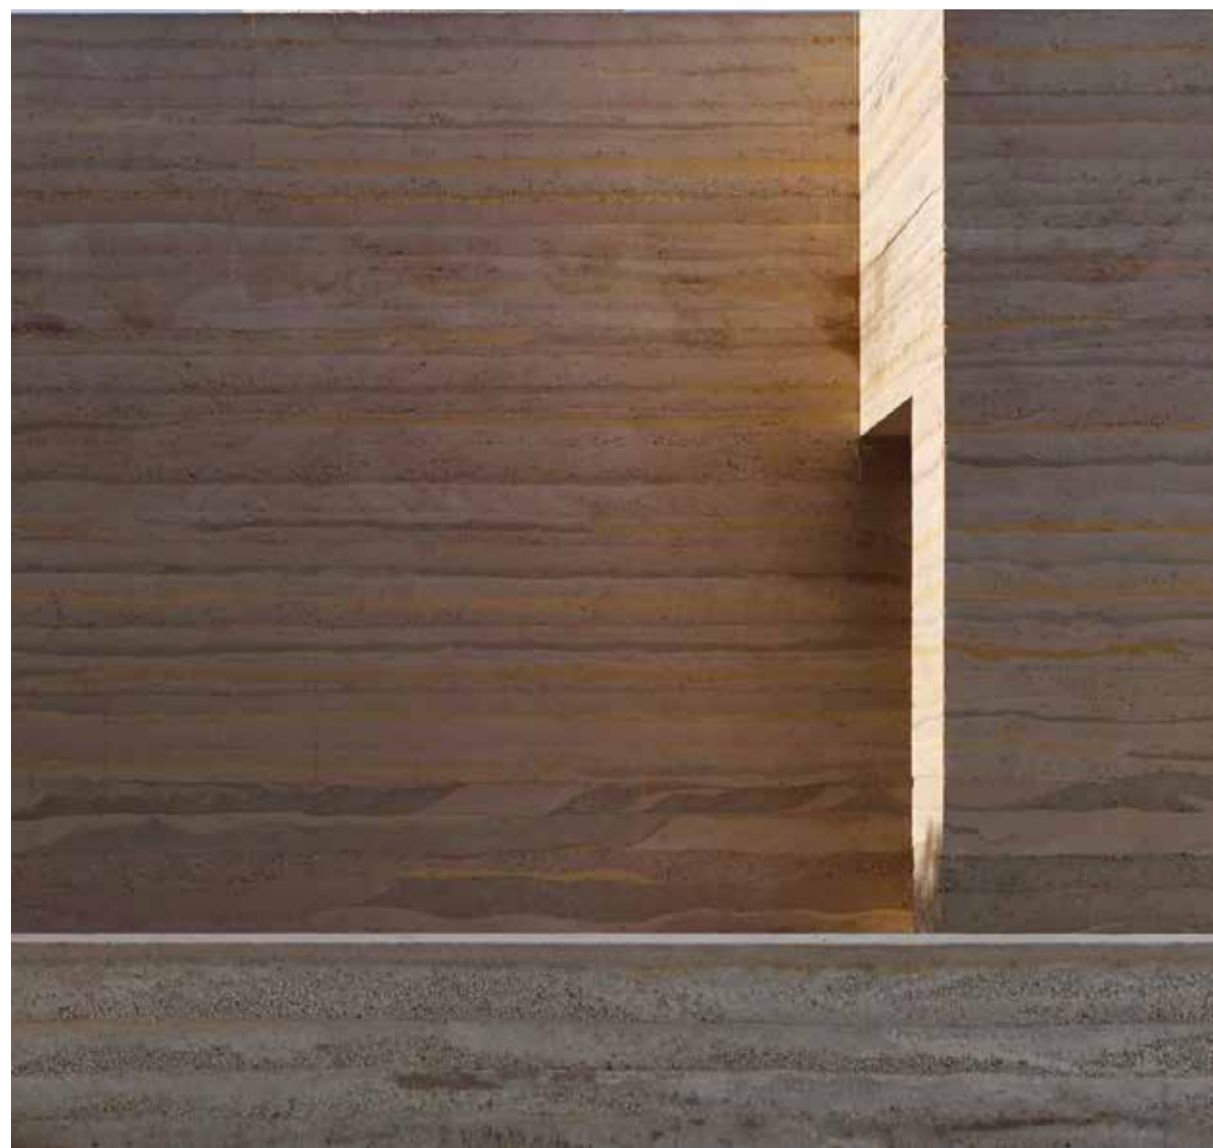

## **<IDC Architects + Lab36 >**

study and analyse the **local** history, traditions, culture and techniques of the place to discover and reveal its **beauty and potential** through innovation.
